HAMILTON CAPITAL'S LEOHNIS NAMED TOP 100 WEALTH ADVISOR BY *WORTH* MAGAZINE

COLUMBUS, Ohio – Jeffrey Loehnis, president of Columbus-based investment management and financial advisory firm Hamilton Capital Management, Inc., has been named one of the nation's "Top 100 Wealth Advisors" by the editors of *Worth* magazine.

It is the third consecutive year Loehnis has been named to the list, which recognizes "those who possess the superior qualities that define a top wealth advisor: vigilance, expertise, and the ability to communicate honestly and frankly with clients." He is the only central Ohio advisor to earn the designation.

The Top 100 list appears in the publication's October 2005 issue and includes an interview with Loehnis as part of a roundtable discussion with other recognized advisors.

"As always, it's an honor to be named," said Loehnis, a certified public accountant and certified financial planner who is one of Hamilton Capital's senior financial advisors and serves on the firm's investment committee. "I think it says a lot about our firm's reputation to even be considered for recognition like this, let alone receive it."

"We're very proud of this honor for Jeff," said Hamilton Capital Chairman and CEO R. Matthew Hamilton. "It's obviously well deserved and a reflection not only on his personal achievements, but also on our entire team of talented and creative advisors – all of whom have the knowledge, skill and experience to provide uncommon financial planning and investment management services."

Hamilton Capital Management is one of central Ohio's largest independent, fee-only investment management and financial advisory firms. As of August 31, 2005, the firm has more than \$590 million under management for more than 680 clients, including

business owners, physicians and corporate executives, as well as qualified retirement plans and trusts. The company also provides financial counsel, including retirement, estate and wealth-transfer planning. More information is available at the firm's web site at www.hamiltoncapital.com.
